Both parties to this Agreement furthermore affirm that public employment is to be regarded as a life-long career and that as such, the terms, conditions of employment and working conditions shall be of the highest caliber to attract and maintain in employment with the College, the best personnel available. In addition, the departments shall have primary but not sole responsibility for the determination of the preparation and assignment of course and teaching schedules and the maintenance of office hours.

Section C. The Board recognizes the Faculty Association as exclusive bargaining Agent for collective bargaining and grievances until seven months prior to the expiration of this agreement.

Section A. The Board and the Faculty Association recognize the following committees of the Academic Governance Organization: Faculty Resources Committee, Academic Standards Committee, Curriculum Committee, Educational Policies Committee, Institutional Philosophy and Goals Committee, Personnel Policies Committee, Professional Development and Instructional Resources Committee, and Special Committee on Administrative Affairs.

It is further recognized by the Board and the Faculty Association that faculty ad hoc or special committees exist and other faculty ad hoc, standing or special committees may be formed during the period of this Agreement. Committee members shall be selected in accordance with the Academic Governance Organization Bylaws.

Section B. It is further recognized that the Faculty Association has complete control over its internal procedures, that it may create its own committees or other mechanisms for conducting its activities as the recognized representative of the faculty for the purpose of collective bargaining and grievances. The Faculty Association may determine the procedure of its own committees and set the qualifications for membership.

Section C. As set forth more specifically in other sections of the agreement and by long-standing practice at Monroe Community College, the faculty through the appropriate faculty committee or department and consistent with the responsibilities vested in the President and the Board of Trustees, has primary but not sole responsibility for recommending curriculum, subject matter, methods of instruction, research, faculty status, requirements of and authorization for granting degrees.

ARTICLE 5 - ACADEMIC FREEDOM AND TENURE

The Board and the Faculty Association agree that the 1940 statement of the American Association of University Professors (AAUP) on academic freedom and tenure, and subsequent approved interpretive comments (1970), shall be used for deliberations and actions pertaining to academic freedom and tenure at Monroe Community College.

ARTICLE 6 - FACULTY PERSONNEL RECORDS

Section A. The College shall maintain only one set of official files with two sections each containing a member's academic and professional records. Data necessary for processing a faculty member's salary,

fringe benefits, etc., shall be excluded from the official files and shall not be considered part of the official files.

Section B. Official Closed File Section: The official closed file shall contain only materials accumulated prior to or pertaining to the faculty member's initial full-time appointment to the College.

Section C. Official Open File Section: The official open file shall contain only materials accumulated following the faculty member's initial appointment to the College.

1) Addition of Material. No material which can be construed as unfavorable will be placed in the personnel folder unless a copy of such material has been sent to the faculty member. The faculty member shall have the right to respond to any material filed and said response shall be attached to the file copy. This material must be added to the file within one year of the date that the appropriate administrator first knew of this information. After a period of 5 consecutive years an individual may apply to the appropriate administrator and seek the removal of unfavorable material from the personnel file. The only documents which shall be used as the basis for reappointment, evaluation, promotion, continuing appointment, discipline, suspension, or discharge are those that are in the official open file and accessible to the faculty member. No unsigned unfavorable documents or anonymous communications shall be filed.

2) Examination of File. The open file may be examined by a faculty member with a witness. Only authorized personnel shall examine the official files and a memorandum of the use of these files, including the date, by whom used, and the purpose of the use shall be placed in the faculty member's file, except when used for day-to-day administrative maintenance of the files.

ARTICLE 7 - TERMINATION

Section A. Temporary Appointments: The services of members of the faculty having temporary appointments may be terminated at any time by the President, notwithstanding any other provisions of this Article. There shall be no right of appeal from such a termination.

Section B. Term Appointments: Notwithstanding any other provision of this contract the services of members of the faculty having term appointments shall cease automatically at the end of their specified terms. Except as provided in Article 5, there shall be no right of appeal from a nonrenewal of a term appointment.

Section C. Retirement: The services of members of the faculty may be terminated at any time for physical or mental incapacity after receipt of the recommendation of the President and upon medical advice of the faculty member's personal physician in attendance, a College-appointed physician, and, in the event of a difference of opinion, a physician recommended by the Monroe County Medical Association.

Section D. Grounds: The services of members of the faculty on continuing appointment^{*} may be terminated only for just cause after such notice and opportunity to be heard is provided.

Section E. Notice: When the President has information or has received a complaint against a member of the faculty containing allegations which, if true, might serve as grounds for termination for cause, and such information or complaint is deemed by the President to be substantial, the President shall discuss it with the person concerned. If the President believes that a basis for charges exists, such charges shall be served in writing upon the person concerned.

^{*}As defined in the current Board of Trustees Policy Manual

Section F. Hearing by Faculty Committee: If a person so charged requests, said person shall be entitled to a hearing before a standing committee of the faculty. The standing committee shall be selected by the individual so charged. The committee, in consultation with the President and the faculty member concerned, shall determine whether the hearing be public or private. The President shall have the option of attending the hearing, but the conduct of the hearing shall be determined by the committee. The faculty member charged shall be entitled to be present, to be represented by a person of the faculty member's choice, to present witnesses on the person's own behalf, and to confront and question witnesses against said faculty member. All testimony shall be under oath. A full stenographic record of the hearing will be taken and made available to parties concerned. The decision of the Committee shall be transmitted to the Board of Trustees, accompanied by a transcript of the hearing.

Section G. Procedure After Hearing Before Faculty Committee: After transmittal of the decision of the faculty committee and the transcript of the hearing to the Board of Trustees, the Board may elect to accept the decision of the Faculty committee or to review the case based upon the record of the hearing, accompanied by argument, oral or written or both, by the principals or their representatives. The decision of the faculty committee shall be sustained or the proceeding be returned to the faculty committee with objections specified. After reconsideration by the faculty committee the Board of Trustees shall make its final decision.

Section H. Hearing by Board of Trustees: If the faculty member charged does not request a hearing before a faculty committee, said faculty member may request a hearing before the Board of Trustees. The Board, in consultation with the President and the faculty member concerned, shall determine whether the hearing be public or private. The Board shall elect one of its own members to act as presiding officer, shall have the option of being represented by counsel, and shall determine the conduct of the hearing. The faculty member charged shall be entitled to be present, to be represented by a person of the faculty member's choice, to present witnesses on the person's behalf, and to confront witnesses against said faculty member. All testimony shall be under oath. A full stenographic record of the hearing shall be taken and made available to the parties concerned. The decisions of the Board, upon the completion of the hearing, shall be final.

Section I. Rights of Appeal: A decision of the Board to terminate the services of a faculty member may be appealed in the courts as provided by law. Such decision shall not be subject to the grievance procedure of this Agreement.

Section J. Failure to Testify: If the faculty member charged refuses to answer at the hearing a question pertinent to the charges against said faculty member, the Board may regard such refusal as sufficient to warrant that the faculty member's services may be terminated.

Section K. Failure to Attend Hearing: If the faculty member charged fails to request or to attend a hearing, the Board of Trustees may, after receiving the recommendation of the President, take such action, if any, as it deems advisable. There shall be no right of appeal from such action of the Board of Trustees.

Section L. Suspension: If the President deems it to be for the best interest of the College, a faculty member upon whom charges have been served may be suspended by the President, with or without salary, pending final action upon such charges by the Board of Trustees. If a faculty member against whom charges have been served is suspended without salary and subsequently is reinstated to the faculty member's position by action of the Board of Trustees and no disciplinary action against said faculty member is taken by the Board of Trustees, the faculty member shall be paid the salary which otherwise would have been received during the period of such suspension.

Section M. Termination Procedures for Full-time Faculty Not Accorded Full Academic Rank:

1) Probationary Period: The procedures contained in this section are not available until an individual has completed four consecutive full-time annual appointments.

2) Grounds: The services of full-time members of the faculty who are not accorded full academic rank may be terminated for cause after notice and opportunity to be heard is provided as described below.

3) Notice: When the appropriate Vice President has information or has received a complaint against a member of the faculty containing allegations which, if true, might serve as grounds for termination for cause and such information or complaint is deemed by the appropriate Vice President to be substantial, the Vice President shall discuss the problem with the person concerned. If the appropriate Vice President thereafter believes that a basis for charges exists, a written notice specifying such charges shall be served upon the person concerned. No such notice may be issued for acts that occurred more than two years prior to the service of the notice of discipline.

4) Hearing: If a person so charged requests, said person shall be entitled to a hearing before a panel of three persons, chosen as follows: the College and the Faculty Association shall each select one member of the panel; the two members thus chosen shall select by mutual agreement the third person of the panel. The panel, in consultation with the appropriate Vice President and the person charged, shall determine whether the hearing shall be public or private. The appropriate Vice President shall have the option of attending the hearing. The employee charged shall be entitled to be present, to be represented by a person of the employee's choice, to present witnesses in the employee's own behalf, and to confront and question witnesses against said employee. All testimony shall be under oath. A full stenographic record of the hearing will be made available to the parties concerned. The decision of the hearing panel shall be transmitted to the appropriate Vice President and to the employee so charged accompanied by a transcript of the hearing. A decision of a majority of the panel is sufficient.

5) Rights of Appeal: After transmittal of the decision of the hearing panel and the transcript, the employee so charged or the appropriate Vice President may elect to appeal the panel's decision to the President. The employee and the Vice President may submit to the President a brief or report in support of his/her position. The President shall review the transcript and any briefs or reports so submitted and will either affirm or reverse the decision of the hearing panel. The decision of the President shall be final and shall not be subject to grievance procedures.

6) Suspension: If the appropriate Vice President deems it to be for the best interest of the College, an employee upon whom charges have been served may be suspended by the appropriate Vice President, with or without salary, pending final action upon such charges pursuant to this Article. If an employee against whom charges have been served is suspended without salary, and subsequently is reinstated to his/her position pursuant to this Article, and no disciplinary action against such employee is taken, the employee shall be paid the salary which he/she otherwise would have received during the period of such suspension.

7) Failure to Request a Hearing: If the employee charged fails to request a hearing, the President may, after receiving the recommendation of the Vice President, take such action, if any, as deemed advisable.

ARTICLE 8 - RETRAINING, CROSSOVER ASSIGNMENT, REASSIGNMENT, REDUCTION IN FORCE, AND RECALL

Section A. Determination: Reassignment and/or reduction in force, as determined by the College, may result from an underutilization of staff, program retrenchment, or financial exigency.

Section B. Utilization of Staff:

1) Annual Review: There shall be an annual review process conducted by the President or his designee to determine any anticipated problems, such as underutilization of staff, enrollment declines or other program difficulties. Areas within the College that anticipate growth and a need for additional faculty members will be indicated. Prior to notification, the appropriate division head and/or Vice President shall meet with the affected department to discuss anticipated problems.

2) Notification of Underutilization of Staff and/or Program Retrenchment

a) Department Notice - At least two years in advance of the effective date of reassignment and/or reduction of faculty, the President shall notify in writing the chairperson of the Faculty Resources Committee and department affected, the appropriate division head and/or Vice President, and the president of the Faculty Association. The President or his designee shall meet with the chairperson of the Faculty Resources Committee and of the department affected to discuss appropriate utilization of the faculty.

b) Individual Notice - The effective date of layoff shall be August 31, and faculty affected shall be notified at least one full year in advance of the date of layoff.

Section C. Financial Exigency: If a layoff is anticipated due to a financial exigency, the President shall notify in writing the faculty members affected and the Faculty Association at least thirty (30) working days prior to the effective date of said layoff. The College and the Faculty Association will discuss possible ways of avoiding such

a layoff. Such discussions will not extend the effective date of layoff except by written agreement of both parties to this contract. The College shall first determine which nonpersonnel expenditures shall be curtailed before laying off faculty.

Section D. Identification: In the department affected, full-time faculty with the least seniority shall be the first to be reassigned or laid off.

Seniority shall be based upon the number of years of service from the initial date of full-time employment at the College, minus noncompensated leaves of one semester or more. In situations where two or more faculty members have the same number of years of service based on the above, the following criteria, in the order listed, shall be used to determine seniority:

- 1) Part-time employment prior to fulltime employment.
- 2) Adjunct employment prior to part-time or full-time employment.
- 3) Date of application for full-time employment.
- 4) Date of full-time appointment letter.

The College shall maintain a seniority listing of full-time faculty by department as determined from the above criteria.

Section E. Crossover Assignment:

- 1) Crossovers are encouraged by the various departments as an educationally effective means of maintaining educational standards and enabling the College to most effectively utilize existing faculty.

2) Crossover assignments will be possible when course offerings or job assignments are available because of resignation or retirement; when adjunct, part-time, or overload sections are currently offered by the departments; and when program expansion and/or enrollment increases are anticipated.

3) Faculty seeking crossover assignments in another department shall meet the required standards for the specific job assignment(s). These standards shall not exceed those which applied when current department members were hired. The department, upon request, shall convey to the faculty member its written standards and its position on the faculty member's qualifications in relation to these standards.

4) When a crossover assignment is part of a plan leading to reassignment and that plan has been approved by the appropriate Vice President, the Faculty Resources Committee, and the receiving department, the faculty member shall be eligible for the following assistance:

a) Use of tuition reimbursement funds, federal, state, local, or other funds which may become available for retraining purposes.

b) Release time up to the equivalent of twenty-five percent of the faculty member's normal workload for one academic year. Such release time may be utilized over a period of no more than two years.

c) Noncompensated leaves of absence for retraining purposes.

d) During a noncompensated leave of absence for retraining purposes and for a period of up to one year, the College shall continue the same fringe benefits program.

5) Faculty with crossover assignments maintain all rights and privileges in their original departments.

Section F. Reassignment:

1) Reassignment will be possible when departmental positions are available because of resignation or retirement; when adjunct, part-time, or overload sections are currently offered by the departments; and when program expansion and/or enrollment increases are anticipated. Faculty identified for reassignment or layoff shall be considered for reassignment only to departments that have or anticipate a need for additional faculty members.

2) Faculty seeking reassignment to another department shall meet the required standards for entrance into that department. These standards shall not exceed those which applied when current department members were hired. The department, upon request, shall convey to the faculty member, the Faculty Resources Committee, and the appropriate Vice President, its written standards and its position on the faculty member's qualifications in relation to these standards.

3) A faculty member identified for reassignment shall consult with the original department, the receiving department, the Faculty Resources Committee, and the appropriate Vice President in developing an acceptable retraining plan. The resulting plan shall be reviewed and approved by the receiving department, the Faculty Resources Committee, and the appropriate Vice President. Reassignment will take place on a date indicated in the approved plan providing the requirements of the plan have been met.

4) A faculty member whose retraining plan has been fully approved shall be eligible for the following assistance relative to retraining efforts:

a) Use of tuition reimbursement funds, federal, state, local, or other funds which may become available for retraining purposes.

b) Release time up to the equivalent of twenty-five percent of the faculty member's normal workload for one academic year. Such release time may be utilized over a period of no more than two years.

c) Noncompensated leave of absence for retraining purposes.

d) During a noncompensated leave of absence for retraining purposes and for a period of up to one year, the College shall continue the same fringe benefits program.

5) If a faculty member is reassigned to another department under the terms of this article, and a vacancy should occur in the former department, the faculty member shall have the right of first refusal to be reassigned back to the former department. In the event that two or more faculty members have been reassigned from the same former department, the right of first refusal will be given first to the faculty member with the most seniority.

Section G. Departmental Review: A faculty member who has been reassigned to another department under the terms of this article shall be subject to the following conditions:

1) The receiving department shall review the job performance of the reassigned faculty member at least once each semester (twice

each academic year), during a period not to exceed four semesters (two academic years).

2) The criteria to be used in this review process shall be the applicable parts of Article 6.00 (Promotion) in the Policies of the Board of Trustees.

3) The purpose of this review shall be to evaluate critically the faculty member's effectiveness in fulfilling new responsibilities and to offer assistance and advice on any aspects of the faculty member's performance in need of further attention and improvement. The accomplishments, strengths, and progress made by the faculty member will also be identified in the review. Upon the receipt of a positive review after the first, but no later than the fourth semester (second year), this special review process will terminate.

4) If the reviewing department is dissatisfied with the performance of the faculty member after reasonable efforts have been made to provide advice, guidance, and opportunities for retraining, the department shall refer the matter to the appropriate Vice President who shall make a recommendation to the President. This recommendation should be made no later than the end of the third semester (one and one-half years) of the review period.

5) The President, after reviewing the faculty member's performance, the circumstances involved, the recommendation of the department, and the recommendation of the appropriate Vice President, shall make a determination on the feasibility of retraining and/or reassignment of the faculty member to another position at the College. In the event the President does not recommend additional retraining or reassignment, the Board of Trustees and the Faculty Association shall

be notified and the Association may communicate its views prior to final action by the Board.

Section H. Recall: Recall may result because of an additional need for faculty, program reestablishment or growth, or the alleviation of financial exigency. A tenured faculty member who is laid off will retain seniority at the effective date of layoff for up to three (3) years. During that three-year period, the faculty member shall be notified of any professional vacancy in the College that the faculty member is then qualified to fill. Recall shall proceed according to the principles of seniority. Recalled faculty shall be reappointed at the same rank and employment status held at the time they were laid off. If the laid-off faculty member is not recalled within the three-year period, the faculty member's appointment and seniority shall automatically be terminated.

ARTICLE 9 - VACATION AND HOLIDAY LEAVE

Section A. Accumulation: Twelve (12) month nonteaching faculty shall be granted annual vacation leave of twenty-four (24) working days during each year of service within the college. This would be in addition to all college holidays.

Twelve (12) month and ten (10) month nonteaching faculty shall accumulate vacation leave at the rate of two working days per calendar month.

Leave may accumulate to forty (40) working days after which it ceases to accumulate.

Twelve (12) month teaching faculty shall be granted as vacation leave all academic holidays with the exception of their normal summer teaching assignments.

Vacation leave may be taken at such time as may be deemed appropriate by the faculty member's appropriate administrator. Faculty members terminating employment shall receive all accumulated vacation leave before the effective date of resignation.

Section B. All-College Holidays: All-College holidays are as follows: New Year's Day, Presidents' Day (third Monday in February), Memorial Day, Independence Day, Labor Day, Columbus Day, Thanksgiving Day, the Day after Thanksgiving, and Christmas Day.

The Official College Calendar shall indicate those days on which all offices of the College are closed. Should a holiday fall on a Saturday, then the preceding Friday shall be observed as a holiday; should a holiday fall on a Sunday, then the following Monday shall be observed as a holiday.

Section C. Individuals Who Are Paid From Grants: Notwithstanding any other provision of this article, the annual accumulation for full-time individuals hired on or after September 1, 1982, and paid from grants shall be one and one-fourth ($1\frac{1}{4}$) days per month for a total accumulation of fifteen (15) days per year. This would be in addition to the all-college holidays.

ARTICLE 10 - SICK LEAVE

Section A. Authorization by College: Members of the faculty, other than persons having temporary appointments, shall earn sick leave at the rate of twelve (12) days per year. This leave will be credited at the rate of one (1) day per month. These credits become cumulative up to a maximum of two hundred (200) days. The unit of computation for sick leave credits shall not be less than one-half day. Sick leave constitutes absence for reasons of illness or injury, dental, optical or

medical appointments, quarantine regulations and serious illness in the immediate family or household requiring care and attendance by the employee or when through exposure to a contagious disease a physician certifies that the employee's presence at place of duty jeopardizes the health of others.

Immediate family includes parents, spouse, children, brother, sister, grandparents, grandchildren or any person who is an actual member of an employee's household. Charges against earned sick leave credits shall be made only when absence for illness occurs on a workday. Sick leave credits cannot be earned for periods of leave of absence without pay.

After completion of five (5) years of service, members of the faculty shall be granted, in addition to earned sick leave, up to a maximum of thirty (30) days of sick leave providing a certificate or affidavit provided by the attending physician showing the incapacity or inability of the member to perform duties is submitted to the college. Any of the 30 days that were not used as a result of this provision will be held in a separate "bank" to be used in the future. This provision is a contract grant of thirty (30) days sick leave and can be used as needed during an individual's employment at the College.

In addition, members of the faculty who have not accumulated the necessary sick leave credits may be granted by the President, a maximum of thirty (30) days advance sick leave which shall not be deducted from future accumulations of sick leave.

Section B. Sick Leave at Half-Pay: After all earned sick leave credits have been used, full-time faculty having continuing appointments may, upon the approval of the President, be granted sick

leave with one-half pay for a period of six months continuing from the expiration of the normal sick leave period.

Section C. Authorization by Board of Trustees: In unusual circumstances where undue hardship is evident, sick leave with half-pay, in addition to that already authorized in Section B may be granted by the Board upon the recommendation of the President.

Section D. Substitutes: Paid substitutes will be provided from the first day on a planned sick leave absence when advance notice is given. The Department Chairperson or Director shall immediately notify the appropriate Vice President when there is written notification from a physician at least one week in advance of sick leave absences for medical treatment (surgery, etc.). Paid substitutes may be provided for faculty on sick leave whenever, in the judgment of the respective department and the appropriate Vice President, such substitutes are necessary. Sick leave absences for which no advance notice is given will normally be covered without compensation by the department or division for up to one week, after which period of time substitutes will be compensated.

Section E. Reporting: Faculty members are expected to submit a signed statement monthly indicating the amount of leave taken during the period. The form for reporting leaves is attached as Appendix A. Failure to submit this form by the 15th of the following month will result in a loss of accumulated leave for that month. No accumulation will be recorded until the necessary forms are completed to the current date. If the above procedure cannot be followed due to illness, appropriate credit will be given at the time the individual returns to work.

ARTICLE 11 - PARENTAL LEAVE

Section A. Notification of Pregnancy: A faculty member who is pregnant shall notify the appropriate department head and Vice President in writing of the desire to take leave, and shall give such notice as soon as possible. The faculty member shall provide the college with the attending physician's approval of the length of time said faculty member may remain at work. The faculty member may with the attending physician's approval continue in active employment as late as said approval indicates.

Section B. Charging of Leave: All or any portion of a leave taken by a pregnant faculty member because of, connected with, or resulting from said pregnancy may be charged to available vacation leave or sick leave in accordance with Articles 9 and 10.

1) The term "grievance" as used herein shall mean any complaint by any person covered by this Agreement, the College or the Faculty Association on its own behalf that there has been a violation, misinterpretation or inequitable application of any of the provisions of this Agreement.

2) This contract shall not provide for the handling of alleged grievances which occurred prior to the signing of this contract nor shall it prejudice in any way any of the other rights which said faculty member or members have at their disposal.

3) Grievances shall follow the procedures outlined in Section B below. The termination of employment by the College shall not be the subject of a grievance. This does not deny to any member existing rights under Article 7 (Termination) of this Agreement.

4) Every person or group of persons covered by this Agreement shall have the right to present grievances in accordance with the appropriate procedures. Grievances must be initiated in writing within twenty-five (25) working days after a person or group actually knew of the act or condition on which the grievance is based.

5) Every person or organization who has the right to bring a grievance hereunder has the right to be represented at all stages thereof by any representative of the person's choice, except that, if the Faculty Association is not chosen as the representative of the grievant, it shall have the right to have a representative present at each stage of the grievance procedure, which representative may participate to the extent of presenting the position of the Faculty Association.

6) In any instance where the Faculty Association is not represented in the grievance procedures, the administrator making the decision will notify the Faculty Association in writing of the resolution of the grievance at each level. The Faculty Association may appeal any grievance which seems either to violate any term of the contract or to affect working conditions of the employees in the bargaining unit.

9) Hearings and conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all interested parties to attend. 2) Step Two - The grievant, or the grievant's representative, shall formally initiate the grievance by presenting it in writing to the immediate administrative person who shall have authority to render a decision disposing of the grievance. If such grievance is not satisfactorily resolved at Step Two within six (6) working days, the administrator's decision shall be communicated in writing to the grievant and to the grievant's representative before the end of the seventh (7) working day after the grievance has been presented.

3) Step Three - If the grievance has not been resolved at Step Two, the grievant or Faculty Association may appeal the decision to the President* of Monroe Community College within ten (10) working

4) Step Four - If a grievance has not been resolved at the conclusion of Step Three, it may be appealed to arbitration pursuant to written notice filed with the President within fifteen (15) working days after receipt by the grievant and the grievant's representative of the decision rendered by the President. The arbitrator shall be selected by the parties from a list of arbitrators submitted in accordance with the rules of the American Arbitration Association. The arbitrator's decision shall be in writing and shall set forth findings of fact, conclusions, and order which shall be binding on all parties. The arbitrator shall not have authority to add to, subtract from or modify the express provisions of this Agreement or any provisions incorporated by reference herein. The cost of arbitration, including the fees and expenses of the arbitrator, shall be shared equally by the parties. In the event that the Faculty Association does not represent the individual in a grievance action taken to arbitration, the cost and expenses will be shared equally by the grievant and the College.

Section C. Procedure for College Grievances:

1) The College shall have the right to initiate a grievance. This grievance shall be initiated within twenty-five (25) working days after the College actually knew of the act or condition upon which the grievance is based.

3) Step Two - If the grievance is not settled through discussion, the College shall formally initiate its grievance by presenting it in writing to the President of the Faculty Association. The final determination at Step Two of the grievance shall be made by the President of the Faculty Association. The President of the Faculty Association shall communicate the position of the Faculty Association in writing to the President of the College within fifteen (15) working days.

4) Step Three - If the College grievance has not been resolved at the conclusion of Step Two, it may be appealed to arbitration pursuant to written notice filed with the President of the Faculty Association within fifteen (15) working days after receipt by the College of the position decided by the Faculty Association. The arbitrator shall be selected by the parties from a list of arbitrators submitted in accordance with the rules of the American Arbitration Association. The arbitrator's decision shall be in writing and shall set forth findings of fact, conclusions and order which shall be binding on all parties. THE
OFFICE OF THE
SECRETARY OF THE
NAVY
WASHINGTON, D. C.
JANUARY 1, 1900
TO THE
HONORABLE
MEMBERS OF THE
NAVY
DEPARTMENT
FROM
THE
SECRETARY OF THE
NAVY
SIR,
I have the honor to acknowledge the receipt of your letter of the 29th inst. in relation to the matter of the proposed purchase of the ship "Albatross" for the service of the Navy. The matter is being considered by the proper authorities and a decision will be made as soon as possible.

LETTER OF AGREEMENT

CONCERNING DEPARTMENTAL INSTRUCTIONAL ASSIGNMENTS

During the registration period, departments shall meet on a regular basis with the Vice President of Academic Affairs or a designee to consult about adjustments in the Master Schedule and to avoid problems connected with untimely course cancellations.

Upon mutual agreement between the department and Academic Affairs, class sizes in the master schedule may be selectively adjusted up 15 percent to accommodate student scheduling requirements. Class sizes which have been adjusted upwards shall be credited toward teaching load on the basis of: 20 student contact hours = 1 faculty contact hour. The computation of student contact hours shall be made at the end of the third week of classes.

No full-time faculty member shall be required to teach evening classes as part of a full-time teaching load unless a full-time teaching load is not available during the day in the department. A teaching obligation shall not extend beyond the normal academic year.

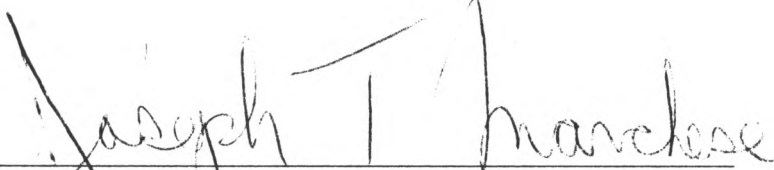

Full-time teaching faculty shall have opportunities to fulfill their teaching obligation days, evenings, weekends, summers and through College-sponsored Community Services Courses. An overload teaching assignment may consist of only part of a particular course or section, thus allowing a course to be taught partially as overload.

Full-time faculty shall maintain each semester five (5) office hours per week scheduled for the convenience of the students.

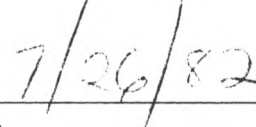

Efforts shall be made to have at least a six-month lead time for departments to plan the master schedule. The Vice President for Academic Affairs may lower load requirements to account for special projects, courses, etc. assigned by the department or College.

Every effort shall be made to schedule each faculty member's teaching load within a six-hour period on any one day, except where the faculty member may request or agree in writing to an extended schedule.

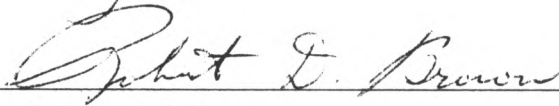

It is agreed by both parties to this contract that the academic Assistant Deans will study the present department chairpersons teaching loads. They will make recommendations by December 1, 1982, concerning the workload requirements of chairing each academic department. These recommendations will be made within the existing workload requirements. Upon receipt of these recommendations the Faculty Association and the College agree to reopen negotiations on the subject of department chairpersons' workloads.
